Intentions: The Intergalactic Bathroom Enlightenment Guide Prudence Calabrese

For over three years Prudence Calabrese was visited almost nightly by an enigmatic, real, live alien from the future. The alien shared an apocalyptic vision of the future of mankind with Prudence. It changed her life forever. The alien showed Pru the origins of our universe, the exact moment when mankind was changed forever by an interdimensional prankster, the consequences to our world and our race of the environmental rapes we are responsible for and she learns of the inevitable outcomes this will bring about. "Intentions: The Intergalactic Bathroom Enlightenment Guide is a unique weaving of two stories, one the harrowing vision of The Grey Dude and the other, a journey to enlightenment by his chosen contactee. Along the way, the Grey Dude shows Prudence the whole of history and the futility of man's inexperience with his own planet.
