Little elephant has learned how to do many things: walk backwards, hop on three legs, spin around like a falling leaf, and do wonderful tricks with his trunk—catch bananas, hold onto his mother's tail, even spray everyone with water! But there's one thing he hasn't quite mastered: He cannot trumpet. Here is a delightful story about a fun-loving little elephant who learns a lot—but at his own pace!—encouraged all the way by his proud and loving parents.
