## Legend of the Timekeepers (The Last Timekeepers) Sharon Ledwith

There is no moving forward without first going back. Lilith was a young girl with dreams and a family before the final destruction of Atlantis shattered those dreams and tore her family apart. Now refugees, Lilith and her father make their home in the Black Land. This strange, new country has no place in Lilith's heart until a beloved high priestess introduces Lilith to her life purpose-to be a Timekeeper and keep time safe. Summoned through the seventh arch of Atlantis by the Children of the Law of One, Lilith and her newfound friends are sent into Atlantis' past, and given a task that will ultimately test their courage and try their faith in each other. Can the Timekeepers stop the dark magus Belial before he changes the seers' prophecy? If they fail, then their future and the earth's fate will be altered forever.
