Electronic Inspection Copy available for instructors here The highly-anticipated Fourth Edition of this bestselling text still succeeds in providing a step-by-step guide to implementing particular methodologies, while simultaneously encouraging a strong awareness of philosophical assumptions. NEW to the Fourth Edition: - Expanded coverage to accommodate recent developments in management research methodology. New topics include: doing a literature review, case study research, action research, mixed methods, and writing-up. - Packed with practical research examples and exercises that encourage students to reflect upon the issues raised and relate them to their own experience. - Additional learning features including critical reflection boxes, case studies and chapter summaries. - A companion website with a full Instructors' Manual and PowerPoint slides. Students have free access to downloadable journal articles and author podcasts. Visit the companion website at [www.sagepub.co.uk/gillandjohnson](http://www.sagepub.co.uk/gillandjohnson) Using a practical approach, but with explicit attention to the role of theory in management research, the new edition of Research Methods for Managers is a stimulating guide for students in management, organization and organization research.
