While candy-colored pinup may be popular with some, this is a collection of dark, sexy images that truly reflect the sophisticated side of the pinup genre. Seemingly ripped from the men's magazines of yesteryear, these photos are so authentic looking down to the smallest detail as if they were actually taken decades ago. Bullet bras, seamed stockings, high heels, and girdles bursting at the seams! Leave the cutesy stuff behind. Internationally published photographer Mark Anthony Lacy specializes in bringing out the allure and sensuality of his female subjects. He combines his backgrounds in art, architecture, film, and photography to create incredibly authentic vintage tableaux in his New York studio.
