Wyoming boasts countless outstanding backcountry destinations. While some of these attractions are world famous, many are virtually unknown even to the savviest locals. Award-winning author Douglas Lorain details both famous and hidden treasures in his picks of Wyoming's 28 most enjoyable backpack trips. Lasting from three days to two weeks, these carefully chosen itineraries offer the hiker mountain scenery, magnificent wildlife, colorful geologic marvels, and reasonable daily mileage goals. This in-depth guide reveals the best trips in and around Yellowstone and Grand Teton National Parks, the Beartooth and Bighorn Mountains, the Absaroka and Snowy Ranges, the Wind River Range, and such treasures as the Wyoming, Gros Ventre, Bear Lodge, and Salt River Mountains. Each of the trips rates scenery, solitude, and difficulty; specifies mileage, elevation gain, days on the trail, and shuttle distance; and notes special attractions, required permits, and challenges. A detailed map and photographs accompany each trip. Everything the backcountry adventurer needs for a "trip of a lifetime."
