A ZEBRA SHOUT FRESH NEW ROMANCE

A DOUBLE LIFE

Olivia Walgrave is finished with being a countess. Writing under a pen name, her controversial column for the scandal sheets provides her with some income and far more excitement than managing a country estate. Besides, in the three years since the wars have ended, her dashing husband hasn't spent one night under their roof. So Olivia has prepared a plan, and an annulment. All she needs is his consent...

Harrison Walgrave, the Earl of Levesford, let his father coerce him into marriage, but his true devotion is to his Parliamentary career—and his secret work for the Home Office. Yet now, with freedom in his grasp, he finds he cannot so easily release his wife. Seeing her stirs a hunger no other woman has reached. A distraction now, when he is a breath away from revealing a ring of traitors, could be deadly. Still, wherever his investigations lead, the thought of Olivia lingers. It might be obsession. It might be treason. But the only way to escape the temptation is to succumb...

“Rachael Miles’ knowledge of the time period she writes about adds a depth of authenticity that enriches every page.” --Jodi Thomas, *New York Times* bestselling author
