The Vapours: a play

Joseph E Green

The Vapours: a play Joseph E Green

Cristabel Cuellar visits a lonely town in the Pacific Northwest ostensibly to investigate an auto accident, but in fact she's looking for signs of the Hollow Earth. Her claimant, Judith, has been having nightmares of a devilish figure who takes her on a tour of the Underworld. Together they go on a journey that will change their lives forever. A new full-length play by the author of CLOWNTIME IS OVER and EINSTEIN'S WRONG ABOUT EVERYTHING, THE VAPOURS covers esoteric territory in the context of a thriller in which digging too deeply may uncover literal monsters.
