Between Consenting Peoples: Political Community and the Meaning of Consent

Between Consenting Peoples: Political Community and the Meaning of Consent

Consent has long been used to establish the legitimacy of society. But when one asks - who consented? how? to what type of community? - consent becomes very elusive, more myth than reality. In *Between Consenting Peoples*, leading scholars in legal and political theory examine the different ways in which consent has been used to justify political communities and the authority of law, especially in indigenous-nonindigenous relations. They explore the kind of consent - the kind of attachment - that might ground political community and establish a fair relationship between indigenous and nonindigenous peoples.
