Chance for Christmas (Ashe Sentinel Connections) DJ Jamison

Chance Rasmussen returns to Ashe, Kansas, eight years after his high school crush humiliated him with a sext that went viral. He's low on holiday spirit with his personal ghost of Christmas past haunting him, but when his BFF asks him to attend a party as her fake date, he reluctantly agrees. The last person he expects to see there is Joe Stewart, the compassionate prosecutor he hero-worshipped during the lowest point of his life. Joe Stewart is a great prosecutor, but when it comes to romance he's out of his depth. He came close to love once, but the timing and circumstances were all wrong, so Joe ignored his feelings and threw himself into his work. But when two of his friends drag him to The Ashe Sentinel holiday party, placing him directly in the path of the man he let walk away, Joe realizes he's been granted a second chance. The spark of attraction is still there, but Chance isn't planning to stay in Ashe past the holidays and the spectre of his past still looms large between them. Can they find a way to build a future together or will Joe only have Chance for Christmas? Chance for Christmas is part of the Ashe Sentinel Connections series, but introduces the love story of two new characters and can be read as a standalone.
