Fearless (The Solomon Brothers Series) (Volume 3) Leslie North

MMA fighter Henry Lorenz relies on discipline as much as strength to get through life. With his former mentor's boxing gym now in his hands, Henry is busy training a new generation—including the troubled teen who reminds him of his own past. Despite a spirited social worker's attempts to intervene, Henry won't stop grooming the kid for success. The counselor is as stubborn as she is beautiful, but perhaps he can prove to her that there's more to fighting than knowing how to throw a punch. Guidance counselor Maggie Kavanaugh gives everything she has to keep kids away from the violence of the streets. She's busy teaching teens to use their brains, not their fists, to get ahead in life. When one of her most talented teens begins training in MMA, Maggie doesn't approve. The gym's owner may be covered in muscles and tattoos, but Maggie won't back down--especially when a scholarship is on the line. She'll let the training continue, but she's going to be watching every step of the way. While Henry is trying to right old wrongs, Maggie is determined to shape the future. But as their attraction grows, a dark moment from Henry's past threatens to come between them. He may be a man of few words, but should he stay silent when speaking up may ruin everything? Even for a fighter like Henry, none of us are fearless--particularly when it comes to love.
