## **Superdolls (German Edition)** Peter W. Czernich

This fetish universe is filled with extreme exaggerations of femaleness on display. Unusually large-breasted goddesses and doll-like sex creatures are put into extreme poses and fantastical stagings, in latex, lingerie, bondage gear, and a wide assortment of other fetishwear. Many photos have been artificially manipulated to create an extreme, hyper-real, impossibly perfect illusion of female perfection and erotic objects of desire, making the models seem like dolls come to life. By German photographer Peter W. Czernich, founder of Skin Two, O, and Marquis magazines. Oversized, hardbound, color. Text in English, German and French.
