Bo Jamison isn't looking forward to going home, and he's got his hands full with a new business deal that demands his full attention. Bottom line: he doesn't need the drama. But when the beautiful Waverly twins move into the condo across the hall, he finds the drama has just begun. Autumn Waverly is sexy and sophisticated, and definitely interested. Summer, not so much. Quieter and more down-to-earth, Summer seems as if she'd rather Bo just go away. Or is it the other way around? Between trying to figure out which twin is which, and finding reasons to spend time with both of them, Bo finds himself in the enviable position of having two beautiful women on his arm.

But when one of them knocks on his door late at night and invites herself into his bed, Bo's not sure what came over him. The passion between them is electric, but the sisters aren't talking. The who's-who game is fun at first—until Bo finds himself falling for his mysterious midnight visitor...
