**And the Trees Crept In** Dawn Kurtagich

**A stunning, terrifying novel about a house the color of blood and the two sisters who are trapped there, by *The Dead House* author Dawn Kurtagich**

When Silla and Nori arrive at their aunt's home, it's immediately clear that the "blood manor" is cursed. The creaking of the house and the stillness of the woods surrounding them would be enough of a sign, but there are secrets too--the questions that Silla can't ignore: Who is the beautiful boy that's appeared from the woods? Who is the man that her little sister sees, but no one else? And why does it seem that, ever since they arrived, the trees have been creeping closer?

Filled with just as many twists and turns as *The Dead House*, and with achingly beautiful, chilling language that delivers haunting scenes, **AND THE TREES CREPT IN** is the perfect follow-up novel for master horror writer Dawn Kurtagich.
