Passing Through Jenny Sundstedt

Sometimes the past does not rest in peace. Even on the other side.

Dana Parker didn't expect to find herself dead at age thirty-four, stuck in limbo, and working as an afterlife counselor. But she likes her job helping the newly departed unload their emotional baggage and move on.

She gets along with her coworkers. For the most part. And the coffee is decent.

Dominic Micelli is no typical client. Brash, stubborn, and mad as hell, he grudgingly admits that at the time of his accidental death, he was the only person of interest in his wife's disappearance. He claims he doesn't know what happened to her and can't move on until he finds out. Torn between suspicion and sympathy, Dana agrees to do what Dominic cannot and return to the living world to seek the truth.

She soon learns that walking the line between life and afterlife has its personal and professional complications. The private investigator she hires becomes too perceptive for comfort, and Dana must hide her truth from him, even as she is drawn to the simple pleasures of his ordinary life. Despite a growing attraction to her handsome client, she can't deny that Dominic Micelli's actions cast doubt on his innocence. As Dana uncovers troubling secrets from his past, she realizes she must finally face the dark ones from her own. **Dangerous complications. Even for a dead woman.**

From reader reviews:

Georgetta Watson:

A lot of people always spent their own free time to vacation or even go to the outside with them household or their friend. Were you aware? Many a lot of people spent they will free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity that is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you read you can spent all day every day to reading a e-book. The book Passing Through it is quite good to read. There are a lot of people that recommended this book. These were enjoying reading this book. In case you did not have enough space to develop this book you can buy the actual e-book. You can m0ore quickly to read this book from the smart phone. The price is not to fund but this book possesses high quality.

Benjamin Manno:

Playing with family in a park, coming to see the ocean world or hanging out with good friends is thing that usually you have done when you have spare time, in that case why you don't try point that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Passing Through, you could enjoy both. It is very good combination right, you still desire to miss it? What kind of hang type is it? Oh come on its mind hangout fellas. What? Still don't get it, oh come on its referred to as reading friends.

Laura McLaughlin:

Do you really one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you just dont know the inside because don't evaluate book by its cover may doesn't work the following is difficult job because you are afraid that the inside maybe not while fantastic as in the outside appearance likes. Maybe you answer might be Passing Through why because the fantastic cover that make you consider with regards to the content will not disappoint a person. The inside or content is definitely fantastic as the outside or perhaps cover. Your reading 6th sense will directly assist you to pick up this book.

Virginia Gauvin:

What is your hobby? Have you heard this question when you got college students? We believe that that concern was given by teacher to their students. Many kinds of hobby, All people has different hobby. And you also know that little person like reading or as examining become their hobby. You should know that reading is very important in addition to book as to be the issue. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You will find good news or update concerning something by book. Amount types of books that can you decide to try be your object. One of them is niagra Passing Through.
