Matt Groening

The Homer Book (Simpsons Library of Wisdom) Matt Groening

The Homer Book is now being released in hardback, as part of the ongoing series: The Simpsons Library of Wisdom.

Homer Simpson is a man's man, an 'Average Joe', a loving father and husband, and a devoted beer drinker. But do you know the 'real' Homer? Find out what's on Homer's mind, discover the mysteries of Homer's fridge, hang out in Homer's haunts; meet his friends and enemies; and spend a typical day with the lovable lout who will lift you out of your

D'oh-ldrums.

In The Simpsons Library of Wisdom, Matt Groening, the creator of 'The Simpsons', offers an ongoing series of portable and quotable books that will eliminate the need for all religions and philosophies, exalt man's role in the universe and make the world a better place ... sort of. No other television show in history has commented so freely and so humorously on modern times, and there seems to be no end in sight for the sharp satire and pointed parody that 'The Simpsons' serves up every night of the week all around the world.
