Downtime Tamara Allen

FBI Agent Morgan Nash is on assignment in London when his case goes awry and he finds himself moments away from a bullet through the heart. But fate has other plans: Morgan gets knocked out pursuing a suspect... and wakes up in 1888. While cataloging ancient manuscripts at the British Museum, Ezra Glacenie accidentally pulls Morgan out of the twenty-first century-an impromptu vacation that may become permanent for Morgan if they can't locate the spellbook Ezra used. Further hampering Morgan's quest to get home is the irresistible temptation to investigate history's most notorious serial killer: Jack the Ripper. But in repressive Victorian London, it's the unexpected romance blossoming between Morgan and Ezra that becomes the most dangerous complication of all.

From reader reviews:

Diana Elliott:

This Downtime are reliable for you who want to be described as a successful person, why. The reason of this Downtime can be one of many great books you must have is definitely giving you more than just simple studying food but feed you with information that probably will shock your preceding knowledge. This book is usually handy, you can bring it just about everywhere and whenever your conditions in the e-book and printed versions. Beside that this Downtime giving you an enormous of experience for instance rich vocabulary, giving you demo of critical thinking that we understand it useful in your day action. So , let's have it appreciate reading.

Michelle Fulk:

Reading can called brain hangout, why? Because if you find yourself reading a book particularly book entitled Downtime your head will drift away trough every dimension, wandering in each and every aspect that maybe unidentified for but surely will become your mind friends. Imaging every word written in a guide then become one type conclusion and explanation that will maybe you never get prior to. The Downtime giving you another experience more than blown away your brain but also giving you useful info for your better life in this particular era. So now let us teach you the relaxing pattern the following is your body and mind will probably be pleased when you are finished studying it, like winning an activity. Do you want to try this extraordinary shelling out spare time activity?

Andrew Thompson:

Are you kind of stressful person, only have 10 or 15 minute in your day time to upgrading your mind skill or thinking skill even analytical thinking? Then you are receiving problem with the book than can satisfy your short period of time to read it because all of this time you only find publication that need more time to be go through. Downtime can be your answer mainly because it can be read by you actually who have those short time problems.

Peter Beaton:

Is it a person who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Downtime can be the response, oh how comes? A fresh book you know. You are and so out of date, spending your time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?
