Fire and Thunder: A Superhero Novel Bowen Greenwood

A terrifying vision of a city in flames drives a young team of heroes to choices they never imagined. Each has a power exactly like the stories of miracles from the Bible, but none of them knows how it happened or why. As they learn how to live with these gifts, their choices will drive some apart, and bring others together. United, they'll fight to save millions of lives as they discover what it takes to do right, the cost of doing wrong, and what it really means to be heroes. Sequel to the Amazon bestselling Christian fantasy novel Sons of Thunder, Fire and Thunder reunites the reader with Connor Merritt, Anna Wales, and other familiar characters while introducing new friends, new powers, and a nightmarish new threat.
