***Island of Bali* is now available with a foreword by Professor Adrian Vickers which puts the book into context for a modern audience.**

First published in 1937, *Island of Bali* is still regarded by many as the most authoritative text on Bali and its fascinating people. Included is a wealth of information on the daily life, art, customs and religion of this magical "Island of the Gods." In the author's own words it presents a "bird's-eye view of Balinese life and culture."

Miguel Covarrubias, the author, was a noted painter and caricaturist as well as a student of anthropology. He lived in Bali for a total of three years in the early 1930s, and today his account is as fresh and insightful as it was when it was originally published. Introducing the island with a survey of its history, geography and social structure, Covarrubias goes on to present a captivating picture of Balinese art, music and drama. Religion, witchcraft, death and cremation are also covered.

*Island of Bali* will appeal to anyone with an interest in this unique island, from general *Eat, Pray, Love* readers to serious anthropologists alike. Complementing the text are 90 drawings by Covarrubias and countless others by Balinese artists. Also included are 114 half-tone photographs, and five full-color paintings by the author.
