**Sexual Selection (Scientific American Library)** James L. Gould, Carol Grant Gould

In *Sexual Selection*, James and Carol Gould survey the many mating systems and strategies practised by species ranging from microorganisms through insects and birds to mammals, including humans. "The Goulds write clearly yet with authority (both are involved in research on sexual selection) and lace the text with many fascinating facts and examples. Their book will do nicely for students and others with an interest in the subject." *Nature*
