"I want to be all right." "Define 'all right.'" Juniper Johnson's life shattered the moment that her spine did. The teenager had initially planned on attending an elite high school for students with superabilities. Instead, she is shipped off to Effective "Defective" Academy - an institution for children with superabilities and disabilities. With the help of her friends, her kind professor, and her less-than-kind mentor, Juniper learns what it means to be disabled, what it means to be a superhero, and what it means to be human.
