Reflecting the growing movement toward more complete inclusion of students with disabilities in the mainstream of education, this text emphasizes the needs of special learners and how regular classroom teachers can effectively meet these needs. A practical, easy-to-follow three-part organization provides the following information: 1) A history of education for handicapped individuals and of legislation which governs service delivery; 2) specifics of the nature of exceptionalities and how characteristics help determine instructional needs; and 3) instructional strategies most likely to be effective with special needs learners.
