Liber Amicorum Pierre Widmer (Tort and Insurance Law) (v. 10) (English, German and French Edition)

Liber Amicorum Pierre Widmer (Tort and Insurance Law) (v. 10) (English, German and French Edition)

The Liber Amicorum Pierre Widmer honours an outstanding tort lawyer and leading author of the recent reform of Swiss Tort Law. Renowned tort lawyers from 11 jurisdictions present questions of interest in tort law today. These include current reform projects in various European countries as well as EU-legislation. The book presents such essential topics as for example a view towards a unified European tort law, the position of insurers in the law of torts; as well as controversial issues in national legislations, compensation for immaterial damage, for household chores and for encroachment on the use of goods, questions concerning personal injury and death, product liability, problems of causation, the protection of privacy, the period of expiration, action of dependants, multiple tortfeasors, and no-fault compensation schemes. It also questions traditional legal rules such as "ex turpi causa non oritur actio" and "volenti non fit iniuria".

Mary Kerr:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Liber Amicorum Pierre Widmer (Tort and Insurance Law) (v. 10) (English, German and French Edition) can make you truly feel more interested to read.
