About the Book You know that slow cooker, a.k.a. crock-pot, you got when you got married? For many people it's probably taking up space in a back cupboard collecting dust. Well, it's time to dig it out and get cooking! In this book you will find recipes for slow cookers you never knew existed. Slow cookers are not just for meat and potatoes, as there is much more your slow cooker can do. Elegant dishes, beverages, appetizers and even cakes, breads and desserts can come out of that amazing little appliance! As you go through this slow cooker recipe book, you will be introduced to new techniques and ways to use your slow cooker, to create not just one type of meal, but many, many delectable creations! Once you have completely looked through it, you might find that you need to go out and buy a few more – one for the main course, one for the vegetable and one for dessert! The best part, the majority of these recipes are of the "set it and forget it" variety! Your dinner will be ready to go when you're ready to eat!
