Gulliver's Travels

Gulliver's Travels

A modern illustrated retelling of Swift's classic, of which Will Self says "Hunter S. Thompson once observed that satire was no longer possible because reality had become too twisted, but Rowson gives the handle a few more cranks and lo! a masterpiece is resurrected."

On November 5, 1699, the Merchant Ship *Antelope* foundered on a rock at the Latitude of 30 degrees 2 minutes south. The only survivor of the crew was Lemuel Gulliver, who some hours later awoke, bound by hundreds of tiny ropes, lying on a beach in the Empire of Lilliput. On August 31, 1997, Gulliver's direct (although unwitting) descendent was being driven through an underpass, when his vehicle was struck from behind. Rendered unconscious, he was next aware of being thrown from a helicopter into a shallow sea. The next morning, he found himself bound by hundreds of tiny ropes, lying on a beach, and surrounded by tiny figures welcoming him to a modern Lilliput. This is only the beginning of his adventures, as he finds himself visiting the same places as his famous forebear, only three centuries later. Thus the Modern Gulliver learns how history has unfolded for the Lilliputians, discovering the secrets of the "New" Lilliput's economic boom and accidentally precipitating its crash. He finds out how the giants of Brobdingnag were inspired to transform their way of life by his ancestor's example, impressed by their encounter with one of "the most pernicious Race of little odious vermin that Nature ever suffered to crawl upon the surface of the Earth." Then, after witnessing the diplomatic initiatives of the floating island of Laputa, the immortal Struldbruggs, and other medical miracles in Luggnagg, he's finally shown exactly what the Houyhnhnms now do with their surplus Yahoos. Jonathan Swift's classic satire about little people, big people, mad scientists, and rational horses is one of the greatest—yet most compassionate—indictments of humanity ever written. Martin Rowson's caustic and provocative update is both an homage to the original and an entirely up-to-date indictment of the enduring human idiocies that enraged Swift so magnificently and memorably 300 years ago.

From reader reviews:

Ericka McCall:

The reserve with title Gulliver's Travels has lot of information that you can understand it. You can get a lot of gain after read this book. This particular book exist new know-how the information that exist in this book represented the condition of the world right now. That is important to yo7u to be aware of how the improvement of the world. This book will bring you within new era of the the positive effect. You can read the e-book in your smart phone, so you can read this anywhere you want.

Mark Johnson:

Playing with family inside a park, coming to see the marine world or hanging out with good friends is thing that usually you will have done when you have spare time, after that why you don't try thing that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Gulliver's Travels, you may enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout guys. What? Still don't buy it, oh come on its identified as reading friends.

Stephen Mosley:

This Gulliver's Travels is great e-book for you because the content that is certainly full of information for you who have always deal with world and still have to make decision every minute. This book reveal it details accurately using great arrange word or we can declare no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but hard core information with attractive delivering sentences. Having Gulliver's Travels in your hand like having the world in your arm, information in it is not ridiculous one. We can say that no publication that offer you world with ten or fifteen second right but this guide already do that. So , this is good reading book. Hey Mr. and Mrs. stressful do you still doubt which?

Ashley Gibson:

In this era globalization it is important to someone to find information. The information will make professionals understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of personal references to get information example: internet, paper, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. The particular book that recommended to you is Gulliver's Travels this guide consist a lot of the information from the condition of this world now. That book was represented just how can the world has grown up. The dialect styles that writer require to explain it is easy to understand. The writer made some research when he makes this book. Honestly, that is why this book ideal all of you.
