Porsche Cayman: Thrill of the Chase Jutta Deiss, Elmar Brummer, Reiner Schloz

This book documents in lavish detail the unique styling, engineering, and performance of Porsche's new mid-engine coupe - the Porsche Cayman. Produced in cooperation with Porsche AG, the book includes behind-the-scenes design blueprints, studio sketches and cutaway drawings, spec information, specially commissioned photography including testing and development, and historical comparisons with the 904 racing car.

Beautiful, commissioned photography and an engaging text tells the Cayman story in all its splendor—performance, technical features, handling, lightweight construction, intelligent use of space—at once a true Porsche and a unique model in its own right in the family of legendary sports cars. Leading German automotive photographers and journalists worked with Porsche, and the book is printed using a 7-color process and varnished pages for a luxurious look and feel (most illustrated books use a 4-color process and lesser glossy pages). *Porsche Cayman* is the ultimate collectible for any owner of the new car, and an essential contribution to any Porsche enthusiast's library.
