Sixguns

Elmer Keith

Sixguns Elmer Keith

From the dust jacket...

It is now more than 100 years since Elmer Keith developed a keen interest in handguns. As the decades became a part of the past, Elmer Keith was recognized as a great shot on the range and in the field and the leading pistol and revolver authority in the land. It is very likely that he burned more gunpowder than any man living today. Extensive experiments were conducted in arms design and with ammunition. His bullets and loads, the result of these efforts, are still in common use today.

Many friends, not the least of whom was Judge Don Martin of Salmon, Idaho, prevailed upon Elmer Keith to produce a major opus sharing his vast knowledge of handguns and shooting techniques. Sixguns is the answer to this demand.

From the Back Cover...

Elmer Keith's boyhood mentors were Indian fighters, vigilantes, lawmen and gun fighters of a passing frontier. In his lifetime, he was recognized as a great shot and the leading pistol authority in the land.

Sixguns contains his experiences, findings, recommendations and instructions.

Table of Contents...

Dedication.....vii

From reader reviews:

Vincent Cartagena:

What do you about book? It is not important along with you? Or just adding material when you want something to explain what you problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everyone has many questions above. They must answer that question because just their can do which. It said that about book. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need that Sixguns to read.

Arlene Farrar:

Spent a free time to be fun activity to try and do! A lot of people spent their sparettime with their family, or their particular friends. Usually they performing activity like watching television, about to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Will you something different to fill your current free time/ holiday? Could be reading a book is usually option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to test look for book, may be the publication untitled Sixguns can be fine book to read. May be it may be best activity to you.

Jasper Parsons:

A lot of people always spent their free time to vacation or even go to the outside with them family members or their friend. Do you realize? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you would like try to find a new activity that's look different you can read a book. It is really fun for you personally. If you enjoy the book that you read you can spent all day long to reading a guide. The book Sixguns it doesn't matter what good to read. There are a lot of folks that recommended this book. These folks were enjoying reading this book. If you did not have enough space to bring this book you can buy often the e-book. You can m0ore very easily to read this book from the smart phone. The price is not too costly but this book has high quality.

Tyler Cote:

Don't be worry for anyone who is afraid that this book will probably filled the space in your house, you will get it in e-book means, more simple and reachable. This kind of Sixguns can give you a lot of buddies because by you taking a look at this one book you have thing that they don't and make you more like an interesting person. This kind of book can be one of a step for you to get success. This reserve offer you information that perhaps your friend doesn't recognize, by knowing more than some other make you to be great people. So , why hesitate? We should have Sixguns.
