Runes are not only a writing system used by some of the ancient Germanic peoples—they are also known as the Mysteries. Carved on wood, metal or stone, the rune staves (or stones) are a powerful divinatory tool, and are steeped in a rich folkloric tradition. The Runes Workbook provides illustrations throughout and a fascinating insight into these Mysteries including the history of the Runes, the significance of the runic poems and runic literature, the meanings of the individual staves, and methods for runic divination.
