Pinga, the treasured drink of Brasil, is the same word that, in Spanish, is slang for the male anatomy. Imagine a Brazilian gentleman's surprise at his Argentine date's reaction when he offers her a chance to join him in his hotel room for some "real Brazilian Pinga"

Imagine a high priced consultant traveling throughout the company that hired her services offending people, coughing profusely, and blatantly passing gas. The same woman eventually becomes a full time employee of the same company.

Imagine living a week in India with no luggage, only to have the airlines cancel your return flight home and suggest that you extend your stay four more days. One extra pair of underpants can only go so far.

These are just a few of the true life stories that Angie McGaha captures in *What Happens on the Road Stays on the Road, Sometimes... Short Stories of a Business Traveler*. These anecdotes and short stories are sure to entertain, and at times, make the reader laugh out loud.
