Deacon at Mass, The: A Theological and Pastoral Guide; Second Edition

William T. Ditewig

Deacon at Mass, The: A Theological and Pastoral Guide; Second Edition William T. Ditewig

This second edition of *The Deacon at Mass* situates the role of the Deacon at Liturgy based on the new General Instruction on the Roman Missal (GIRM). A step-by-step handbook for deacons through the eucharistic celebration, this text looks at everything a deacon must do (read the gospel), may do (preach a homily), and may never do (sing the concluding doxology). Study questions follow each chapter.

Noteworthy in the second edition:

*The original edition had the benefit of drawing on the new GIRM, and while nothing in the GIRM has changed, we have the added benefit of the final English translations.

*Questions raised by readers and reviewers of the original edition are answered.

*An expanded introduction addresses specific issues related to the preparation and translation of liturgical books in general, and each subsequent chapter now includes references and guidance related to the approved English translation.
