Gypsy in Amber (Roman Grey Novels) Martin Cruz Smith

From “the master of the international thriller” (*The New York Times*) and the bestselling author of *Tatiana* and *Gorky Park*, Martin Cruz Smith’s first mystery novel—a classic crime whodunit with a shocking twist.

One girl was dead, one girl was threatened, one girl was possessed.

One girl was found horribly mutilated, the victim of a rite that no sane person believed could take place in the modern world. One girl lay trembling in her apartment, as the strange intruders forced open her bedroom door, and the waking nightmare began. And one girl discovered that her body and her soul were no longer her own....

A murder threatens to force the police into a confrontation with New York’s gypsy community. The cops are determined to pin the blame on a gypsy. But antique dealer Roman Grey knows there is more to the case than the convenient closing of a crime file, and he vows to bring the truly guilty to justice. You’ll never guess the secret of *Gypsy in Amber*.
