For 'essentials or 1 credit hour courses' in Study Skills, Student Success, Freshman Seminar or "University 101". This text unlocks every student's potential to succeed in college, career, and life by challenging them to realize, "It's not just what you know...it's what you know *how* to do."

Keys to Success Quick offers the hallmark of the *Keys to Success* series — success in College, Career, and Life through building analytical, creative, and practical thinking skills. This “thinking skills” framework challenges students - but with a ‘less is more’ approach. *Keys Quick* will help students develop and personalize “best practice” tools, build skills in context of each topic, and gain self-knowledge via "Quick Check" self-assessments.
