The Marital Compatibility Test: Hundreds of Questions for Couples to Answer Together Susan Adams
Little things can make or break a relationship. Wet towels on the bathroom floor, bread crumbs in the sheets from a late-night sandwich, a thermostat set on 75 when you prefer 68. Such incidents may seem trivial to couples in the throes of passion, but newlyweds often find that passion cools with the reality of living together. This book encourages couples to communicate with each other early on to head off disagreements after the knot is tied. From wet towels to managing the check book, hundreds of questions on such topics are included, such as sex, in-laws, having children, pets, cooking, food preferences, exercise and fitness, housecleaning, traveling, household economics, interior decorating, religion, and politics.
