Until Every Animal is Free Saryta Rodriguez

Until Every Animal is Free is an insightful, candid work heralding the Animal Liberation Movement as the next logical step on the path of social justice, dispelling many of the myths that keep us from getting there. In it, Saryta Rodriguez challenges the Myth of Human Supremacy, and explores some of the ideological pillars behind the belief that humans are superior to all other animals. This book also discusses animal liberation theory, as well as (primarily twenty-first century) efforts to put animal liberation on the public agenda.
