White: The Restoration Trilogy, Book One Denise Weimer

In *White: The Restoration Trilogy, Book One*, as historic preservationist Jennifer and brooding bachelor Michael restore his ancestors' historic doctor's residence in a rural Georgia community, they uncover the 1920s-era prejudice and secrets that caused Michael's branch to fall off the family tree. Jennifer is determined to fulfill her first professional position with integrity even if her employer lacks a proper appreciation of history. Far more challenging -- and sinister -- than the social landscape of Hermon are the strange accidents hinting that someone doesn't want them on the Dunham property. Yet Michael's and Jennifer's own pasts pose the biggest obstacles to laying a fresh foundation of family and community.

Genre: Contemporary, with a prominent historical back story. Expect friendship that grows into romance and a spiritual journey that includes touches of the supernatural, suspense and mystery.
