Blink of an Eye

William S. Cohen

Blink of an Eye William S. Cohen

It is America's worst nightmare: A nuclear bomb destroys a major city. Thousands of Americans are dead and many more will die from radiation poisoning. Threats promising more attacks flood the news. Panic has broken out in several major cities.

How could American intelligence have failed to detect a nuclear device? Who is responsible for the blast? Sean Falcone, national security advisor, is tasked with identifying and tracking down the attackers. Powerful forces within the capitol point the finger at Iran. But appearances are always deceiving, and never more so than when millions of innocent people may die for a crime they did not commit. With the potential to incite the entire Muslim world against America and bring the world to the brink of Armageddon, Falcone discovers an astonishing secret hidden deep within the upper echelons of Washington's elite...but why should the President?or the American people?believe him?

Drawing on years of international affairs and defense planning experience, William S. Cohen, the former secretary of defense under Bill Clinton, brings readers a sweeping political thriller to rival Vince Flynn, Brad Thor, and David Baldacci.

From reader reviews:

Jessica Bradsher:

What do you about book? It is not important to you? Or just adding material when you really need something to explain what yours problem? How about your free time? Or are you busy individual? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Every individual has many questions above. They have to answer that question mainly because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this particular Blink of an Eye to read.

Evelina Soria:

Information is provisions for those to get better life, information these days can get by anyone on everywhere. The information can be a expertise or any news even restricted. What people must be consider whenever those information which is in the former life are hard to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you find the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Blink of an Eye as the daily resource information.

Ronald Ruggles:

This Blink of an Eye is great e-book for you because the content and that is full of information for you who have always deal with world and have to make decision every minute. This specific book reveal it facts accurately using great coordinate word or we can claim no rambling sentences included. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but tricky core information with beautiful delivering sentences. Having Blink of an Eye in your hand like obtaining the world in your arm, information in it is not ridiculous just one. We can say that no guide that offer you world with ten or fifteen moment right but this publication already do that. So , this really is good reading book. Heya Mr. and Mrs. busy do you still doubt that?

David Wilkens:

A lot of reserve has printed but it takes a different approach. You can get it by internet on social media. You can choose the very best book for you, science, comedy, novel, or whatever by simply searching from it. It is identified as of book Blink of an Eye. You can add your knowledge by it. Without causing the printed book, it can add your knowledge and make you happier to read. It is most significant that, you must aware about book. It can bring you from one destination to other place.
