Manumit the Journey is an epic tale depicting the ancient struggle of light and darkness, good and evil, and the age-old paradox of the grace of choice. Follow Raeh, the wily Destiner whose passion to know the Image Maker leads him to violate established boundaries which in turn have dire consequences for his comrades and eventually the new humans whose loyalty to their Creator would also soon be put to the test. From the heights of the Canopy to the walls of the city of Manumit, this is the story we all find ourselves characters in as the Divine Author finds room to reveal His unconditional love for all of humanity. Be witnesses to the creation of the first human beings, Valerian and Aurea and their life of innocence in the Garden of Delights. Experience the mystical powers of Lupa, Muspellum Princess and Queen of Manumit. Who will win the monumental struggle for the hearts and minds of humanity?
