So What So That

Marjorie Welsh

So What So That Marjorie Welsh

Praise for Marjorie Welsh:

"[Welsh] challenges 'prettiness' at an almost feverish pitch, working against a poem's anticipated flow even as she moves it along with jazzy verve." —*Bookforum*

Welsh uses the page—not as a surface upon which to buoy language, but as a core construction of the poem, in visual and kinetic relationship with text. One of our most challenging and rewarding poets, the pleasure is to simply marvel.

From "Vamp ('avant pied)':

*In laughter you acquit
the betwixt divided*

*by half and half helped into the indecent
parentheses brooding on*

*reasoning, resonance--too much reverb
lay in the epilogue*

From reader reviews:

Yael Whitehead:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each book has different aim or perhaps goal; it means that publication has different type. Some people experience enjoy to spend their time for you to read a book. They may be reading whatever they consider because their hobby is usually reading a book. What about the person who don't like studying a book? Sometime, man feel need book when they found difficult problem or exercise. Well, probably you will require this So What So That.

Peggy Nunes:

Here thing why this kind of So What So That are different and trusted to be yours. First of all examining a book is good but it depends in the content of computer which is the content is as delightful as food or not. So What So That giving you information deeper and in different ways, you can find any reserve out there but there is no guide that similar with So What So That. It gives you thrill looking at journey, its open up your eyes about the thing that will happened in the world which is probably can be happened around you. You can bring everywhere like in playground, café, or even in your method home by train. Should you be having difficulties in bringing the imprinted book maybe the form of So What So That in e-book can be your alternate.

Charles Shin:

Reading a reserve tends to be new life style on this era globalization. With examining you can get a lot of information that will give you benefit in your life. Along with book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the ebooks. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors nowadays always try to improve their talent in writing, they also doing some research before they write for their book. One of them is this So What So That.

Erica Lewis:

Beside this specific So What So That in your phone, it may give you a way to get nearer to the new knowledge or information. The information and the knowledge you are going to got here is fresh in the oven so don't be worry if you feel like an old people live in narrow commune. It is good thing to have So What So That because this book offers for your requirements readable information. Do you often have book but you would not get what it's all about. Oh come on, that would not happen if you have this in the hand. The Enjoyable set up here cannot be questionable, similar to treasuring beautiful island. Use you still want to miss that? Find this book along with read it from at this point!
