The Sovereignty of Love: Coming Home With Ho'oponopono Alaya DeNoyelles

How can just saying the words I Love You to yourself entirely transform your life? The Sovereignty of Love guides you on an authentic journey to fully realizing your own essence, the inexhaustible nectar of Love.

Alaya DeNoyelles elegantly strings together pearls of ancient wisdom and modern science to deliver the Harmonizing Practice, based on the Hawaiian healing art of Ho'oponopono.

Our illusion of separation from Love is the root of our suffering. As we harmonize our daily life with love, we come to know our self as the consciousness of love. We give ourselves the great gift that we've always longed for: unconditional loving presence. This is Self-love. This is Sovereignty. ~ from the book

This is a wonderful collection of profound science, sacred geometry and Hawaiian mysticism. Within these delightful pages you will find that the combination is intrinsic to our true evolution, as a conscious species. Not only is Alaya De Noyelles' research and personal wisdom impeccable. She also offers practical methods of entry into a direct experience. A 'must read' to proceed. ~ **ShantiMayi**

As we are made up of and imbedded within an oscillating holographic sea of particles, it is imperative to recognize our relationship to all that is and learn to consciously harmonize. "*The Sovereignty of Love*" clearly reflects the elegant beauty we find in the fundamental patterns from which the Universe creates, gently steering our awareness towards coherency with the reclamation of responsibility as sovereign beings connected to the whole. Alaya's concise delivery of this truth is profound within its simplicity. ~ **Nassim Haramein**
