Theory Test Study & Revision Guide Graham Chalmers

In a vast ocean of information, theory test candidates can often feel like they're struggling to prepare themselves adequately. Handbooks, websites and the Highway Code all convey plenty of information, but these sources leave students completely on their own when it comes to organising this information into an effective, complete summary to study from. The Theory Test Study & Revision Guide utilises a technique that creates coherent summaries of the vast majority of information relevant to the theory test. Taking the form of 'study patterns', each section contains two summaries that encapsulate the essential knowledge for the candidate. Furthermore, the understanding of each topic is enhanced by seeing all of the sub-topics gathered together in a logical and informative manner. Adhering to a methodology that makes it easy to memorise the integral facts, the Theory Test Study & Revision Guide helps learner drivers unlock all the information they have absorbed in order to succeed in the test. This book will directly appeal to and aid those who are studying for their driving theory test.
