Tribal Law Enforcement Strategies provides an authoritative, insider's perspective on best practices for enforcing the laws in Indian country. Featuring experienced police chiefs from reservations around the nation, this book guides the reader through the changing trends and laws that are impacting tribes, tribal law enforcement, and non-natives. From gaming and gang activity to drug and alcohol abuse, these officials analyze the crimes that occur on tribal lands and how they manage investigations. Additionally, these leaders discuss how to navigate the tribal court system, overcome funding issues, work with outside agencies, and maintain a successful police department. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this ever-evolving field.

Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities.
