Wild Cards, a series of like-love stories detailing the plight of beautiful women struggling to survive in a sometimes grotesque world, as seen through my eyes. During attempts to hold down somewhat healthy relationships, I've seen and felt so much heartache in the mist of lust, drug and alcohol abuse, and at times infidelity. Some bonds became unbreakable, a few splits are still tragic, and much of the affliction is unforgettable. But there was always a certain beauty to be found in it all.
