Christians are fighting against a conflicting cultural ethos; reducing the beauty of God-invented sexuality to just another entertainment option. However, lifelong marriage, though less common today, is still God's plan for most people... and isn't God's plan the best plan? Alex and Marni Chediak from their experience of singles and college ministry, multi-generational small group ministry, offer wise guidance in how we should go about choosing a partner. They seek to glorify God with one voice, sharing the life goal of being marked mainly as those who love God.
