Bi America: Myths, Truths, and Struggles of an Invisible Community (Bisexuality)

William Burleson

Bi America: Myths, Truths, and Struggles of an Invisible Community (Bisexuality) William Burleson
Gain an in-depth understanding of the unique struggles of the bisexual community!

“To me the gay and straight worlds are exactly the same; equally limited, judgmental, and bourgeois . . . just mirror images of each other. I truly like and overlap with some of the gay world, but my roots refuse to take hold there and grow. Unfortunately, my well-established roots in the straight world are simultaneously shriveling and dying too, leaving me feeling extremely unstable.”

—“Cool,” a bisexual woman involved in a support group

There are at least five million bisexual people in America, generally invisible to straight society, the gay community, and even to each other. While the vast majority of these five million live within the straight or gay world, there are a few who have formed a community of their own. *Bi America: Myths, Truths, and Struggles of an Invisible Community* offers an inside look at the American bisexual community and gives an understanding of the special circumstances unique to being bisexual. The book takes the reader to bi community events from picnics, to conferences, to support groups, to performances in order to expose the everyday trials of the bisexual community.

Bi America includes very personal stories that let the voice of everyday bisexuals be heard through interviews, the “Bisexual History Project,” in which ten bisexual people tell their life stories, and the “Online Support Group,” a group of about 75 people who meet in cyberspace to talk about their lives and challenges. The book also includes the findings of a 2002 survey of about 300 bisexual people conducted via the Internet, an appendix that offers a concise list of resources for further study and personal enrichment, and an unabridged transcript of the “Bisexual History Project.”

Get the answers to these questions in *Bi America*:

- What is bisexuality?
- Is there a bisexual community?
- What is the culture of the bisexual community?
- What are commonalities and differences between the experiences of bi men and bi women?
- What is the special relationship between the bisexual and the transgender community?
- How have bisexuals and the bi community been affected by HIV/AIDS?
- What is the future of bisexual activism, if any?
- and many more!
