Jonathan, Sam, Schulz, and Eric usually spend their summers hanging out at the park, skateboarding and dreaming about the time when they'll finally move out of the suburbs. But in the summer of 1994, the four teenagers find a small fortune hidden inside an abandoned house. What starts out as a blessing soon turns into a curse, however, as stress, drugs, and dwindling funds raise some serious questions about the future. Eighteen years later Jonathan returns to that life-changing summer to tally up the cost of that discovery, exploring how a broken dream led to a totally renewed sense of purpose.
