The Great Sehn, Elven God-King and lord of all things living and nonliving, returns in this all-new sequel to Questing Sucks!

Following on the heels of the first book, in which the glorious, almighty Sehn defeated eight-thousand dragons and five leprechauns with just a single slash of his blade, Book II will pit Sehn against some of his most pathetic, non-challenging enemies yet.

He returns once more to dominate the world and punish anyone who disagrees with his opinion. But this time, the forces of good seek to deter him from his quest to bathe the world in flames. Now, he must take up his blade and defeat Archmage Duncan, Commander Ghell, and the Hawk, who together have set out to do everything in their power to save innocent lives and stop the Great Sehn's uprising from turning the oceans red with blood.

Can Sehn defeat these heroes and conquer the world? Will he succeed in destroying everything before it's too late?

Yes.
