Explorers of Gor (Gorean Saga)

John Norman

Explorers of Gor (Gorean Saga) John Norman

This enchanting escapade is the most important quest of Tarl Cabot's career. He must retrieve a potent shield ring from a strange explorer. It is imperative that the omnipotent Priest-Kings obtain this ring so that the Goreans do not challenge their enormous power. Throughout his expedition, Cabot learns of uncharted territories on Earth's cosmic counterpart. In the dense forests he discovers, Cabot must use his skills to endure the perils that await his arrival. Cabot will encounter Gor's barbarism in full force through enchantingly dangerous beasts, bloodthirsty men, and exotic kingdoms.

Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire.

***Explorers of Gor* is the 13th book in the Gorean Saga, but you may enjoy reading the series in any order.**
