Learning how to care for your vehicle is just as important as learning to drive it. And what better way to discover that information than from an expert with over 30 years experience helping families take care of their second biggest investment. Master mechanic and shop owner Dave Striegel has taken his vast experience in vehicle repair and condensed it down into an easy to understand glove box sized preventive maintenance guide and logbook that's perfect for drivers of all ages. Whether you drive a car, truck, van or suv; this guide will demystify the often confusing owners manual recommendations of fluid maintenance and provide a handy log to keep track of it all. Protect your investment, enhance reliability and safety by caring for your vehicle the right way, and enjoy the benefits of long term ownership without a car payment.
