On a gray day the heroine of this book feels every bit as grouchy as the cloudy, rainy, windy sky outside her bedroom window. There is no way that her all-too-cheerful Mom and Dad are going to convince her to get out of bed. Or is there?

How do you transform a stormy mood into a sunny one? This clever story holds the secret: a stomping, romping, wild dance that can make you feel like yourself again -- and ready at last for smiles and giggles with the people who really do understand you after all.
