The Boys are Back in Town Simon Carr

How do you talk to a five-year-old boy when his mother's just died ? How do you look after him, and how do you cope when your eleven-year-old son by a previous marriage comes to live with you too? This account of an all-male family experience is, by turns, funny, tender, anarchic, moving and very instructive about how three males of different ages and character learn from each other about how to live their lives.
